Agree previous minutes

Chair's report: Joann Mac Pherson (director of Swimming Pool) gave us information about procedures to ensure the hall meets requirements of entertainments licence. Need for Risk Assessment sheets to be completed for events such as music festival.

Update on various grant applications but nothing definite as yet.

Consideration of dates for public meeting and how it fits with AGM meeting – further investigation of times people might be available.

MUSIC FESTIVAL (Kay Charlton joins the group for this).

Covering details of groups/times – volunteers etc. Need for help with Marquee etc. Stalls. Parking – new map to be produced knowing that Police advise putting up P signs and advise against parking on grass verges except on the one nearest the hall where we have parked before.

Zumba: Looks unlikely because of numbers needed to break even.

Wait for outcome of festival before agree next meeting.
